EDUCATION

Bachelor of Science, Stetson University, DeLand, FL
May 6th, 2023
Digital Arts, 3.035 GPA
Dean's List (4 semesters)

Senior Capstone Project: *"Oh, Hello Again"*
- Developed a short 3D animated film focusing on the struggles and emotions of artists
- Modeled 3D assets like an environment and characters, and animated them using Autodesk Maya
- Animated various 2D facial expressions for the characters in Adobe After Effects
- Presented my project at a screening event in the 2nd Stage Theatre along with other Digital Art cohorts

EXPERIENCE

Amazon Delivery Driver, Orlando, FL
November 2023-August 2024
- Safely drove and operated delivery vans, followed all traffic laws
- Navigated routes through a variety of residential and commercial locations
- Loaded and unloaded packages up to 50lbs, organized packages for fast and efficient delivery
- Communicated with customers and supervisors in a professional manner

Stetson University, DeLand, FL
August 2021-May 2023
- Created detailed environments and objects for use in the Unity Game Engine
- Modeled and rigged characters from scratch for use in 3D animations
- Rendered out multiple short 3D animations using the Arnold Render in Autodesk Maya
- Produced multiple original songs using Logic Pro X
- Helped produce a few short films with various special effects in Adobe Premiere
